### TOUR OVERVIEW

The 2026 Crafts and Cherry Blossom Tour of the Sea of Japan Coast takes you on an exhilarating journey away from Japan's busy metropolitan centres to the fascinating Hokuriku region. Separated from Tokyo and the eastern seaboard by the rugged Japanese Alps, Hokuriku offers a less hurried pace and the chance to experience natural landscapes and old rural and seafaring traditions less impacted by mass tourism. On this 14-day rural Japan tour you experience the region's deep Buddhist roots, its mountain culture and distinctive thatched roof houses, its strong artisanal traditions, samurai history, its coastal towns and fresh seafood markets as well as the gorgeous cherry blossoms. For those who like discovering the roads-less-travelled, this is a fabulous introduction to the raw beauty and rich traditions of the Sea of Japan Coast at magical cherry blossom time.

| 2   | Sun 29/3/2026    | Guided tour of Tokyo                 | <p>After orientation with your guide, you begin your exploration of Tokyo. Despite being close to the business districts of central Tokyo, Fukagawa has a laid-back atmosphere, characteristic of Tokyo's traditional "shitamachi," the old heart of the city still retains an unpretentious, down-to-earth feel. While you are here, you will visit Fukagawa Fudo-do and witness a spectacular Buddhist ritual with fire and drums as well as enjoy a river cruise along the cherry tree-lined Oyoko River.</p> <p>After a full day's exploration, you head back to your hotel and have a welcome dinner at a local Japanese izakaya restaurant.</p> | Breakfast,<br>Lunch,<br>Dinner | Mitsui Garden Hotel Kyobashi<br>[Moderate Queen/Twin] |

Here you will hope to see gorgeous cherry blossoms against elegant temples and gardens, typical of Kyoto. In the evening, you gather for a relaxed dinner in the city's heart. You visit the historic Togetsu Bridge and its scenic river and stop for a traditional tofu lunch, a specialty of Arashiyama. Arashimaya's bamboo forest is another popular site for its thick bamboo dappled in ethereal light. Escaping the other day-trippers, you'll walk on through quiet backstreets to Daikakuji Temple with its beautiful lake fringed by cherry blossom trees.</p> <p>After arriving back at your hotel, the remainder of the day is free. | 5   | Wed 1/4/2026 | Transfer to and guided tour of Echizen | <p>Leaving Kyoto by express train, you will arrive in Fukui Prefecture on the Sea of Japan coast. The first stop is the region of Echizen, where the tradition of forging swords, knives and farming tools has continued for some 700 years. In the 1970s, artisans from the area gathered to decide how to revitalise a declining industry impacted by agricultural mechanization and stainless steel knives. Echizen knives are now sold around the world and recognised on Japan's traditional crafts register. You tour one of the progressive knife manufacturers in the area as artisans expertly forge metal into bladed implements using traditional methods. While in the area, you will also visit a washi paper-making workshop as well as a lacquerware studio.</p> <p>After a full day of high-quality Japanese crafts, you will stay at a hotel in Fukui City, and enjoy dinner at a local restaurant.</p>  | Breakfast, Dinner        | Courtyard by Marriott Fukui [Superior King / Twin] |

While touring around the complex with your guide, you wander along its forested paths and covered walkways and experience the spiritual side of this region and Fukui's long and deep Buddhist roots.</p> <p>Travelling by private transport, our next stop is Tojinbo where you take a cruise to view the unusual rock formations from the ocean. A spectacular natural landmark in Echizen-Kaga Kaigan Quasi-National Park, the rock formations have been sculpted by wind and waves over millions of years to form rugged honeycomb-shaped columns.</p> <p>In the late afternoon, you arrive at Kanazawa. With its lineage as a wealthy castle town steeped in samurai culture, Kanazawa offers an impressive list of architectural and cultural sites. After resting at your hotel, your guide will give you some orientation around the hotel before dinner.
